CREMATION AND BURIAL

CREMATION

Many people select cremation as an alternative to burial. Whether before or following the cremation, consider arrangements that allow family and friends to gather in some way to commemorate the person who has died.

We will also provide you information on Turner & Porter's Private Cremation option.

BURIAL

Perhaps your family already owns a cemetery plot where the person who has died will be buried. If not, maybe you've noticed a nice local cemetery. We know which cemeteries are nearby and can help you purchase cemetery plots appropriate for your needs.
