## DISBURSEMENTS

Disbursements are additional services not related to Turner & Porter, however are often selected when completing funeral arrangements. As a courtesy, many times Turner & Porter is able to carry these fees on your behalf. All disbursement fees are charged at cost and payment for these items is required at the time the contract is entered into. The following represent some common third party costs but depending upon circumstance others may apply.

**CORONER'S DECLARATION FOR CREMATION** – a fee set by the Chief Coroner for Ontario for the issuing of a certificate that allows cremation to take place.

**MUNICIPAL DEATH REGISTRATION FEE** – a fee set by individual municipalities to register the death.

**CHURCH HONORARIUM** – this is an amount paid to the church for the use of their facilities. In some cases it includes the services of the clergy as well.

**CLERGY HONORARIUM** - this is an amount paid to the clergy or person who facilitates the service or ceremony.

**CHURCH ORGANIST/SOLOIST HONORARIUM** – this is an amount paid to musicians/performers for their services. In most circumstances this is a fee set by the individual musicians/performers.

**NEWSPAPER DEATH ANNOUNCEMENT** – these are charges for death announcements placed in newspapers as a notification of the death and any pertinent details of visitation and/or ceremony. Fees are charged on a per line basis and are set by the individual newspapers.

# FUNERAL PREPAYMENT OPTIONS

At Turner & Porter, there are four options you may wish to consider when arranging a funeral in advance:

## 1. TO PREPAY BY MEANS OF GUARANTEED FUNERAL DEPOSITS

A Prepaid Guaranteed Funeral Contract is completed with all costs itemized. Funds received are deposited through Guaranteed Funeral Deposits of Canada (Fraternal)

## 2. TO MAKE PARTIAL PAYMENTS

To suit your budget, Guaranteed Funeral Deposits of Canada (Fraternal) offers 1 through 10 year payment plans. A limited death benefit is offered for the first 24 months, depending on the time payment plan.

## 3. TO PREPAY BY MEANS OF A TRUST ACCOUNT.

A Prepaid Guaranteed Funeral Contract is completed with all costs itemized. Funds received are placed in trust with Guaranteed Funeral Deposits of Canada (Fraternal) and are invested in Canadian Guaranteed Investment Certificates.

With either prepayment option, if you have prepaid the guaranteed funeral contract in full, the interest that accumulates on the prepaid funds is applied to the total cost of the funeral at the time of need. Any excess funds will be returned to the estate of the deceased person. If the funeral has been fully prepaid and there are not sufficient funds when the services are provided, Turner & Porter will absorb the shortfall as the funeral has been guaranteed as described in the contract.

## 4. TO PREARRANGE WITHOUT PREPAYING.

All of your instructions are on file at the Turner & Porter Chapel of your choice. The funeral services are provided at the time of need with the price schedules in effect when the death occurs.

Because it is difficult to cover all of the prearrangement possibilities in a few paragraphs, we would be pleased to meet with you at the Turner & Porter Chapel of your choice or at your residence.

If you wish to set up an appointment,  
Please contact our Advance Planning Centre 905-412-3087
